Parkinson's Disease and You: New Research and Treatment Options

Join us for our free Doctor Dialogue panel discussion where you'll learn the latest in Parkinson's disease.

April is Parkinson's disease awareness month.

Did you know? The Parkinson's Foundation estimates that 930,000 people in the United States will be living with Parkinson's disease by 2020.

Our panel of expert neurological specialists will provide a brief overview of Parkinson's disease, give an update on new research and treatment options and interact with you to answer questions.

Don't miss this event! **Register today.**
